

This is my pleasure to inform you that continuing our long-lasting tradition we are organizing the 7th Central European Congress on Osteoporosis and Osteoarthritis, in Krakow on 27 – 28 September 2019.

The main subjects are: osteoporosis, osteoarthritis and sarcopenia. We expect about 350 participants from Poland and abroad.

Lectures has been confirmed by Prof.: C. Cooper, D. Hans, J. Kanis, S. Papapoulos, J-Y. Reginster, H. Resch.

Keynote lectures will be delivered by invited speakers, participants will present short communications and posters. Polish and English are the language of Congress. Simultaneously translation will be provided.

Congress will take place at a new location – the Auditorium Maximum of the Jagiellonian University (Krupnicza Street 33), close to the Old City. Registration will be open since 1st October 2018.
