February 12, 2019

Dear Colleagues,

We have the pleasure to invite you to the European Calcified Tissue Society (ECTS) Conference held in Budapest between May 10-14, 2019. As an agreement with the ECTS Board, all Eastern European Countries delegates receive a special registration fee of 270 € until 22 March, 2019. Afterwards, the fee is 325 € (till 19 April). The link to be used for the registration: <https://interplan.eventsair.com/ects-congress-2019/onlinereg/Site/Register>

Please, check in as „Trainee” and enclose this letter if requested for confirmation of status. You do not have to be a trainee but this is the way how we could arrange this discount technically.

We hope that this dramatically reduced registration fee will encourage you to participate at this outstanding meeting where we hope to organize a Central and Eastern European Expert Meeting as well, on April 10, 2019.

It would be nice to welcome you in Budapest.

Yours sincerely,

Prof. Peter Lakatos  
Co-Chair of ECTS-2019

Prof. Istvan Takacs  
Co-Chair of ECTS-2019  
President of HSOO
